Certificate of Disclosure and Acknowledgement

Harbourview Multi-Year Guaranteed Annuity Single Premium Deferred Annuity

Thank you for your interest in the Harbourview Multi-Year Guaranteed Annuity, which is a Single Premium Deferred Annuity offered by Oceanview Life and Annuity Company. It is important that you understand the benefits, features, and limitations of this annuity before making your purchasing decision. Please read the following information and sign the last page of this disclosure document to acknowledge your understanding of the annuity contract ("contract") for which you are applying. This document is intended to provide you with a summary of the contract, including its benefits and limitations.

What is the Harbourview Multi-Year Guaranteed Annuity?

The Harbourview Multi-Year Guaranteed Annuity is a Single Premium Deferred Annuity primarily intended for customers seeking a long-term retirement savings vehicle.

Your fixed deferred annuity is not a security or any type of investment contract. It is not a stock market investment and does not directly participate in any stock or equity investments. It is suitable for use as an IRA or other qualified account as well as an attractive alternative CDs or other taxable vehicles. You can start your Harbourview MYGA **with a minimum premium of \$20,000.**

What if I decide I do not want my annuity contract after it is delivered?

After receipt of the annuity contract, the contract may be returned within the free look period for an unconditional refund of the amount paid for the contract. The free look period is the amount of time you have to request a refund. The actual free look period is stated on the cover page of your contract and is at least 20 days.

How will interest be credited to my Contract?

Interest is credited to the initial interest rate guaranteed for the first Guaranteed Period. At the end of the Guaranteed Period, and each subsequent Guaranteed Period thereafter, a new rate will be declared. Your annuity will earn a declared interest rate, which may go up or down, but can never be less than the contract's minimum guaranteed rate at the time of your purchase. Your interest is credited and compounded daily to yield our declared annual rate. There are no front-end sales charges or annual administrative fees. 100% of your money works for you!

What is a Market Value Adjustment (MVA)?

The MVA may be applied during the surrender charge period of your annuity Contract. The surrender charge period will vary by product. Please see your annuity Contract or product brochure for details. The MVA only applies during the surrender charge period should you elect to surrender your annuity or if you elect to take a withdrawal that exceeds your penalty-free withdrawal amount. The Market Value Adjustment does not apply upon death of the annuitant, upon annuitization or after the surrender charge period.

The MVA affects the surrender value of your annuity which is defined in your annuity Contract. The Market Value Adjustment formula will be applied at the time your annuity Contract is surrendered or if more than your penalty-free available is withdrawn during the surrender charge period as stated in your Contract. The impact of the MVA is similar to how bond values are impacted by interest rates. The surrender value of your annuity will generally decrease if interest rates for your annuity product increase which creates a negative adjustment to your surrender value. Alternatively, when interest rates for your annuity product have decreased since your Contract was issued, the surrender value generally increases due to the Market Value Adjustment.

Do I have access to the value of my contract before the Annuity Date?

Yes, the Harbourview Multi-Year Guaranteed Annuity provides access to the value of your contract in several different ways. However, any contract values accessed during the first ten contract years may also be subject to a Surrender Charge, depending on the surrender charge schedule elected at the time of application. Please note that withdrawals taken from an index strategy during an index term period will not be credited with any potential interest credits for that term.

Withdrawal charges will not apply to any free withdrawals, required minimum distributions, or death benefit proceeds. Taxable amounts withdrawn from your annuity prior to age 59 ½ may be subject to a 10% IRS penalty in addition to ordinary income tax. Please consult with a tax advisor prior to utilizing these provisions.

Free Withdrawals

After the first contract year, you may make multiple withdrawals totaling 10% of the contract value on the prior contract anniversary without incurring a Surrender Charge. The amount available for free withdrawal is not cumulative. Any amount eligible for free withdrawal in a contract year that is not taken may not be carried over to the next contract year nor will it be available to be taken free of the Surrender Charge in a later contract year.

Required Minimum Distribution ("RMD's")

If you purchase this annuity with 'tax-qualified' money (like an IRA), tax law and IRS rules may require you to take Required Minimum Distributions (RMD's) from your contract each year. Any RMD's taken from your contract, after the first contract year, will not be subject to surrender charges.

What happens on the contract's Annuity (Maturity) date?

On the contract's Annuity (Maturity) date, you will receive the entire value of your contract in the form of annuity payments. There are a number of payout options from which to select. Regardless of the payout option selected, once the amount of payments is determined, your payments are guaranteed and can never be changed. You should review the available payout options with your tax advisor to select the most appropriate one based on your specific financial situation. Under no circumstances will you be assessed a withdrawal charge on, or after the Annuity Date. If you do not select a payout option, the payout option will default to the contractually selected option, depending whether you have a single Annuitant or Joint Annuitants.

What if I decide to surrender (cancel) my contract?

If you decide to surrender your contract, the Company will pay you the contract's Cash Surrender Value. On the surrender date, the Cash Surrender Value is equal to the greater of:

1. The Contract Value less any Surrender Charges, if applicable; or
2. The Minimum Surrender Value.

What is a Surrender Charge?

A Surrender Charge is the cost you incur if the contract is surrendered or if any amount withdrawn exceeds the free withdrawal amount during the Surrender Charge period. The Surrender Charge on these amounts is applied at the time of the surrender or withdrawal. Any amount withdrawn above the free withdrawal amount will be multiplied by the applicable percentages below, which determine the amount of the charge. This charge will vary depending upon the guarantee period you select at the time of application. Below is the current Surrender Charge Schedule for this contract.

| Guarantee Period | Surrender Charge Period* | | | | | | | | | |
|------------------|--------------------------|---|---|---|---|---|---|---|---|----|
| | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 |
| 2 | 9 | 8 | | | | | | | | |
| 3 | 9 | 8 | 7 | | | | | | | |
| 4 | 9 | 8 | 7 | 6 | | | | | | |
| 5 | 9 | 8 | 7 | 6 | 5 | | | | | |
| 6 | 9 | 8 | 7 | 6 | 5 | 4 | | | | |
| 7 | 9 | 8 | 7 | 6 | 5 | 4 | 3 | | | |

| 9 | 9 | 8 | 7 | 6 | 5 | 4 | 3 | 2 | 1 | |
| 10 | 9 | 9 | 8 | 7 | 6 | 5 | 4 | 3 | 2 | 1 |

Are there any tax consequences if I take withdrawals from my annuity?

Income tax on interest credited to an annuity is deferred until withdrawals are taken. When you surrender or take a withdrawal from your contract, you may be subject to federal and state income tax on a portion or the entire amount withdrawn. In addition to income tax, you may be subject to a 10% federal penalty tax if you surrender or take withdrawals from your annuity before age 59 ½. When annuity payments are elected, a portion of each payment will be taxable and a portion will be treated as a non-taxable return of the contract's cost basis. Distributions from a qualified annuity (e.g. IRA, 401(k), etc.) may also be taxable. You should consult with a tax advisor or attorney regarding the applicability of this information to your own situation.

What happens if the Owner dies before the annuity date and while the contract is in force?

If the Owner, (or primary annuitant if the Owner is not a natural person) dies before the date on which annuity payments begin, the Company will pay a Death Benefit to the named Beneficiary or Beneficiaries. That Death Benefit will be the greater of: The contract value (without any Surrender Charge); or the Minimum Surrender Value.

The Death Benefit will not be subject to a surrender charge. After the annuity date, payments will be consistent with the settlement option selected. Taxes may apply.

What happens if the Annuitant dies on or after annuity payments begin?

If the Annuitant dies on or after the date annuity payments begin, we will continue to make payments of any remaining and payable portion of the annuity payment(s) to the Beneficiary upon our receipt of due proof of death.

Other Important Information about Your Annuity

- This annuity is not a bank or credit union deposit, obligation or guarantee, and is not FDIC or NCUA/NCUSIF insured.
- The guarantees provided by annuities are subject to the financial strength and claims paying ability of the issuing company.
- Under current tax law, the Internal Revenue Code already provides tax deferral to qualified money, so there is no additional tax benefit obtained by funding a qualified contract, such as an IRA, with an annuity.
- This is a brief description of your annuity. Your contract contains more specific information. Please review it carefully when it is delivered to you and ask your financial professional for any additional clarification you may need.
- We deduct premium taxes, if applicable, imposed on us by a federal, state, local, or other government agency. Some states collect these taxes on premium payments; others collect at the time of Annuitization. Since we pay premium taxes when they are required by applicable law, we may deduct them from your contract when we pay the taxes, when you withdraw your contract value, when you start to receive income payments or when it pays a death benefit to your beneficiary. The premium tax rate varies by state or municipality, and currently ranges from 0 - 3.5%.
- We do not provide tax, financial or investment advice, or act as a fiduciary in the sale or service of these products. Consult a tax advisor or financial representative about your specific financial needs or circumstances.

1 Important Notice to Applicants Regarding Replacement of Life Insurance or an Annuity

(This notice must be signed by the applicant(s) with the original sent to Oceanview Life and Annuity Company and a copy left with the applicant(s).)

This notice is for your benefit and is required by law.

1. If you are urged to purchase life insurance or an annuity and to surrender, lapse or in any other way change the status of existing life insurance or an existing annuity, the agent is required to give you this notice.
2. It may not be advantageous to drop or change existing life insurance or an existing annuity in favor of new life insurance or a new annuity, whether issued by the same or a different insurance company. Some of the disadvantages are:
 - a. The amount of the annual premium under an existing policy may be lower than that under a new policy having the same or similar benefits.
 - b. Generally, the initial costs of life insurance policies charged against the cash value increases in the earlier policy years, the replacement of an old policy could result in the policyholder sustaining the burden of these costs twice.
 - c. The incontestable and suicide clauses begin anew in a new policy. This could result in a claim under a new policy being denied by the company which would have been paid under the old policy.
 - d. Existing policies may have more favorable provisions than new policies in such areas as settlement options and disability benefits.
 - e. An existing policy may have a reserve value in addition to any cash value which may be of some benefit to the insured.
 - f. The insurance company carrying your current insurance policy can often make a desired change of terms which would be more favorable than if existing insurance is replaced with new insurance.
3. It may not be advantageous to change an existing policy to reduced paid-up or extended term insurance or to borrow against its loan value beyond your expected ability or intention to repay in order to obtain funds for premiums on a new policy.
4. There may be a situation in which a replacement policy is advantageous. You may want to receive comments of the present insurance company before deciding this important financial matter.

2 Acknowledgement

I(We) hereby acknowledge that I(we) received the above "Important Notice to Applicants Regarding Replacement of Life Insurance or an Annuity" before I(We) signed the application for the proposed new insurance or annuity.

Premiums: Premiums are the payments you make in exchange for an insurance policy or annuity contract. They are unlike deposits in a savings or investment program, because if you drop the policy or contract, you might get back less than you paid in.

Cash Surrender Value: This is the amount of money you can get in cash if you surrender your life insurance policy or annuity. If there is a policy loan, the cash surrender value is the difference between the cash value printed in the policy and the loan value. Not all policies have cash surrender value.

Lapse: A life insurance policy may lapse when you do not pay the premiums within the grace period. If you had a cash surrender value, the insurer might change your policy to as much extended term insurance or paid-up insurance as the cash surrender value will buy. Sometimes the policy lets the insurer borrow from the cash surrender value to pay the premiums.

Surrender: You surrender a life insurance policy when you let it lapse or tell the company you want to drop it. Whenever a policy has a cash surrender value, you can get it in cash if you return the policy to the company with a written request. Most insurers will also let you exchange the cash value of the policy for paid-up or extended term insurance.

Convert to Paid-Up Insurance: This means you use your cash surrender value to change your insurance to a paid-up policy with the same insurer. The death benefit generally will be lower than under the old policy, but you will not have to pay any more premiums.

Place on Extended Term: This means you use your cash surrender value to change your insurance to term insurance with the same insurer. In this case, the net death benefit will be the same as before. However, you will only be covered for a specified period of time stated in the policy.

Borrow Policy Loan Values: If your life insurance policy has a cash surrender value, you can almost always borrow all or part of it from the insurer. Interest will be charged according to the terms of the policy, and if the loan with unpaid interest ever exceeds the cash surrender value, your policy will be surrendered. If you die, the amount of the loan and any unpaid interest due will be subtracted from the death benefits.

Evidence of Insurability: This means proof that you are an acceptable risk. You have to meet the insurer's standard regarding age, health, occupation, etc., to be eligible for coverage.

Incontestable Clause: This says that after one or two years, according to the provisions of the policy, the insurer will not resist a claim because you made a false or incomplete statement when you applied for the policy. During the first two years if there are false or incomplete answers on the application and the insurer discovers them, the insurer can deny a claim as if the policy had never existed.

Suicide Clause: This says that if you commit suicide after being insured for less than two years, depending on the policy and insurer, your beneficiaries will receive only a refund of the premiums that were paid.

I / We also understand it is my / our responsibility to confirm with the surrendering company their processing guidelines to selecting a specific transfer date.

3. DISCLOSURES / ACKNOWLEDGMENTS

- I. I fully assign and transfer all claims, options, privileges, rights, title and interest to either all of the life insurance policy, all of the annuity contract or part of the annuity contract value identified in the Contract Information section on page 1 to the receiving company. The sole purpose of this assignment is to effect a tax-free exchange under Section 1035(a) of the Internal Revenue Code. All of the powers, elections, appointments, options and rights I have as owner of the contract, including the right to surrender, are now exercisable by the receiving company. Simultaneous with a full assignment, I also revoke all existing beneficiary designations under the Assigned Policy. Other than the above mentioned owner, no person, firm, or corporation other than myself and the insurer that issued the above numbered policy, has an interest in said policy. No proceedings in insolvency or bankruptcy have been instituted by or against me. I understand that the receiving company intends to surrender the contract for the cash value; or if this is a partial exchange, the portion assigned, subject to its terms and conditions, and to use the proceeds as the purchase payment for the new contract to be issued by the receiving company. I authorize the surrendering company to send the proceeds directly to the receiving company and understand that fees and surrender charges may apply. This exchange is subject to acceptance by the receiving company. Neither the receiving company nor the surrendering company is liable or responsible for changes in market value that may occur after the surrendering company has processed the transaction and before the proceeds are received by the receiving company in good order and allocated to the new contract. Prior to the date of receipt of the proceeds by the receiving company, no value will accrue or be earned on the receiving company contract.
- II. If this is a partial exchange, I understand that it is subject to Revenue Ruling 2003-76, which dictates how much of the original contract's cost basis must be allocated to the new contract. The cost basis should be allocated ratably between the two contracts based on the percentage of the value retained in the original contract and the percentage of the value transferred to the new contract. For example, if the contract value is \$100,000 and basis is \$50,000, and I assign 30% for a partial exchange, then \$15,000 (30% of \$50,000) of the basis would be applied to the new contract. I understand that the IRS has raised concerns about annuity contract owners using partial exchanges to avoid income tax, and I certify that I am not entering into this transaction for the purpose of reducing or avoiding income tax or the 10% penalty tax for early withdrawals.

I expressly represent that the sole purpose is to effect a partial 1035 exchange of an annuity contract. However, I acknowledge that Revenue Procedure 2011-38 states that withdrawals from annuitization, taxable owner or annuitant changes, or surrenders, other than an amount received as an annuity for a period of 10 years or more or during one or more lives, of either the original contract or the new contract during the 180 day period following the partial exchange, may affect the tax free status of the partial exchange.

Note: Other exceptions may apply and a subsequent direct transfer of all or a portion of either contract involved in the exchange could have tax and tax reporting consequences. Please consult your tax advisor. Please confirm with the carrier if they will support partial 1035 exchanges.

I acknowledge that the receiving company has made no representations concerning any tax treatment of this transaction. I understand that the receiving company has neither responsibility nor liability for the validity of this transaction or for my treatment under Section 1035(a) of the Internal Revenue Code or otherwise. Therefore, I agree to release and hold harmless the receiving company and its agents from any and all liability arising from, relating to, or in connection with, the taxation of a partial exchange of the above listed contract. I authorize the receiving company and the surrendering institution to share information necessary to maintain accurate records of the annuity cost basis and to ensure proper withholding and tax reporting. I have been directed to consult my tax or legal advisor before proceeding.

- III. I authorize the receiving company to rely upon the cost basis information provided by the surrendering company, but agree that the receiving company will assume no responsibility for determining or verifying cost basis. If cost basis is not provided, I acknowledge that more restrictive or less beneficial tax rules may apply to the amounts transferred. I acknowledge that the receiving company provides this form and participates in this transaction as an accommodation to me. The receiving company does not give tax or legal advice on the tax consequences for replacing one contract for another, and assumes no responsibility or liability for the validity of this assignment or for the tax treatment of this exchange under IRC Section 1035(a) or other laws or regulations.
- IV. I agree that if the receiving company, in its sole discretion, determines that it is unlikely to receive timely payment of the full contract cash surrender values, the receiving company may reassign ownership of the policy/contract back to me.
- V. RETURN OF LIFE INSURANCE POLICY OR ANNUITY CONTRACT - Does not apply to partial 1035 exchanges on annuity contracts. Unless the surrendering company's policy or contract is attached, I affirm that the policy or contract has been destroyed or lost and that reasonable effort has been made to locate it. To the best of my knowledge no one else has any right, title or interest in the contract, nor has it been assigned, pledged or encumbered, unless this is a life insurance policy with a loan to carry forward.
- VI. MAXIMUM ISSUE AGE DISCLOSURE - An annuity contract may not be issued should the funding requirements be received after reaching maximum issue age for the annuity contract applied for. If the funds are received after the maximum issue age, the contract may be rejected and the funds returned to their original source. The surrendering company may or may not take the funds back, which could result in a taxable event.
- VII. NON-QUALIFIED TRANSFER OF FUNDS (NON 1035 EXCHANGE) - The receiving company will apply all such funds received to an annuity contract issued to me. I understand that the receiving company assumes no responsibility for tax treatment of this matter and I shall be responsible for payment of all federal, state and local taxes incurred with respect to the liquidation of such account. I acknowledge that the earnings credited under the annuity contract will begin to accrue when the receiving company receives these proceeds and all other necessary paperwork in good order. For index annuities, fixed account interest under the annuity contract will begin to accrue on the next Issue Day.
- VIII. TRANSFER / EXCHANGE OF FUNDS INTO A TSA/403(B) - The TSA/403(b) owner / participant's employer or employer's third-party administrator must authorize and sign this transfer request in Section 5.

Authorization for a TSA/403(b) transfer / exchange to a TSA/403(b): This request is for the direct transfer / exchange of non-ERISA funds from the TSA/403(b) (annuity contract) or 403(b)(7) (custodial account) identified in Section 1 of this form to a TSA/403(b) (annuity contract) established on my behalf by the receiving company. I hereby agree to surrender my interest as indicated above and authorize the receiving company to take whatever action necessary to effect this transfer / exchange. I acknowledge that the transferred / exchanged funds shall be subject to the more stringent restrictions on distributions found in either the predecessor annuity contract or the receiving annuity contract. I intend this transaction to be a 403(b) transfer / exchange of funds pursuant to IRC section 403(b) and the final regulations. The transfer / exchange is to be executed from financial institution to financial institution in such a manner that it will not place me in actual or constructive receipt of all or any part of the transferred / exchanged funds. Because this transaction constitutes a direct rollover / transfer / exchange of funds and not a distribution, withholding does not apply. (Provide the receiving company with any records or documents they may request with respect to this transfer / exchange.)

- IX. The IRS has provided limited guidance on the tax consequences of transferring a life insurance policy with values less than the investment in the contract to a new or existing annuity contract. If the owner surrenders the newly acquired annuity contract, it's not clear whether the annuity losses are fully deductible against ordinary income or deductible as a miscellaneous deduction subject to a limitation of 2% of adjusted gross income (AGI). If the IRS views the two transactions as a single integrated transaction, they could consider it a step transaction and successfully disallow the losses as a tax deduction.
