Certificate of Disclosure and Acknowledgement

Harbourview Multi-Year Guaranteed Annuity Single Premium Deferred Annuity

Thank you for your interest in the Harbourview Multi-Year Guaranteed Annuity, which is a Single Premium Deferred Annuity offered by Oceanview Life and Annuity Company. It is important that you understand the benefits, features, and limitations of this annuity before making your purchasing decision. Please read the following information and sign the last page of this disclosure document to acknowledge your understanding of the annuity contract ("contract") for which you are applying. This document is intended to provide you with a summary of the contract, including its benefits and limitations.

What is the Harbourview Multi-Year Guaranteed Annuity?

The Harbourview Multi-Year Guaranteed Annuity is a Single Premium Deferred Annuity primarily intended for customers seeking a long-term retirement savings vehicle.

Your fixed deferred annuity is not a security or any type of investment contract. It is not a stock market investment and does not directly participate in any stock or equity investments. It is suitable for use as an IRA or other qualified account as well as an attractive alternative CDs or other taxable vehicles. You can start your Harbourview MYGA **with a minimum premium of \$20,000.**

What if I decide I do not want my annuity contract after it is delivered?

After receipt of the annuity contract, the contract may be returned within the free look period for an unconditional refund of the amount paid for the contract. The free look period is the amount of time you have to request a refund. The actual free look period is stated on the cover page of your contract and is at least 20 days.

How will interest be credited to my Contract?

Interest is credited to the initial interest rate guaranteed for the first Guaranteed Period. At the end of the Guaranteed Period, and each subsequent Guaranteed Period thereafter, a new rate will be declared. Your annuity will earn a declared interest rate, which may go up or down, but can never be less than the contract's minimum guaranteed rate at the time of your purchase. Your interest is credited and compounded daily to yield our declared annual rate. There are no front-end sales charges or annual administrative fees. 100% of your money works for you!

What is a Market Value Adjustment (MVA)?

The MVA may be applied during the surrender charge period of your annuity Contract. The surrender charge period will vary by product. Please see your annuity Contract or product brochure for details. The MVA only applies during the surrender charge period should you elect to surrender your annuity or if you elect to take a withdrawal that exceeds your penalty-free withdrawal amount. The Market Value Adjustment does not apply upon death of the annuitant, upon annuitization or after the surrender charge period.

The MVA affects the surrender value of your annuity which is defined in your annuity Contract. The Market Value Adjustment formula will be applied at the time your annuity Contract is surrendered or if more than your penalty-free available is withdrawn during the surrender charge period as stated in your Contract. The impact of the MVA is similar to how bond values are impacted by interest rates. The surrender value of your annuity will generally decrease if interest rates for your annuity product increase which creates a negative adjustment to your surrender value. Alternatively, when interest rates for your annuity product have decreased since your Contract was issued, the surrender value generally increases due to the Market Value Adjustment.

Do I have access to the value of my contract before the Annuity Date?

Yes, the Harbourview Multi-Year Guaranteed Annuity provides access to the value of your contract in several different ways. However, any contract values accessed during the first ten contract years may also be subject to a Surrender Charge, depending on the surrender charge schedule elected at the time of application. Please note that withdrawals taken from an index strategy during an index term period will not be credited with any potential interest credits for that term.

Withdrawal charges will not apply to any free withdrawals, required minimum distributions, or death benefit proceeds. Taxable amounts withdrawn from your annuity prior to age 59 ½ may be subject to a 10% IRS penalty in addition to ordinary income tax. Please consult with a tax advisor prior to utilizing these provisions.

Free Withdrawals

After the first contract year, you may make multiple withdrawals totaling 10% of the contract value on the prior contract anniversary without incurring a Surrender Charge. The amount available for free withdrawal is not cumulative. Any amount eligible for free withdrawal in a contract year that is not taken may not be carried over to the next contract year nor will it be available to be taken free of the Surrender Charge in a later contract year.

Required Minimum Distribution ("RMD's")

If you purchase this annuity with 'tax-qualified' money (like an IRA), tax law and IRS rules may require you to take Required Minimum Distributions (RMD's) from your contract each year. Any RMD's taken from your contract, after the first contract year, will not be subject to surrender charges.

What happens on the contract's Annuity (Maturity) date?

On the contract's Annuity (Maturity) date, you will receive the entire value of your contract in the form of annuity payments. There are a number of payout options from which to select. Regardless of the payout option selected, once the amount of payments is determined, your payments are guaranteed and can never be changed. You should review the available payout options with your tax advisor to select the most appropriate one based on your specific financial situation. Under no circumstances will you be assessed a withdrawal charge on, or after the Annuity Date. If you do not select a payout option, the payout option will default to the contractually selected option, depending whether you have a single Annuitant or Joint Annuitants.

What if I decide to surrender (cancel) my contract?

If you decide to surrender your contract, the Company will pay you the contract's Cash Surrender Value. On the surrender date, the Cash Surrender Value is equal to the greater of:

1. The Contract Value less any Surrender Charges, if applicable; or
2. The Minimum Surrender Value.

What is a Surrender Charge?

A Surrender Charge is the cost you incur if the contract is surrendered or if any amount withdrawn exceeds the free withdrawal amount during the Surrender Charge period. The Surrender Charge on these amounts is applied at the time of the surrender or withdrawal. Any amount withdrawn above the free withdrawal amount will be multiplied by the applicable percentages below, which determine the amount of the charge. This charge will vary depending upon the guarantee period you select at the time of application. Below is the current Surrender Charge Schedule for this contract.

Guarantee Period	Surrender Charge Period*									
	1	2	3	4	5	6	7	8	9	10
2	9	8								
3	9	8	7							
4	9	8	7	6						
5	9	8	7	6	5					
6	9	8	7	6	5	4				
7	9	8	7	6	5	4	3			
8	9	8	7	6	5	4	3	2		
9	9	8	7	6	5	4	3	2	1	
10	9	9	8	7	6	5	4	3	2	1

Are there any tax consequences if I take withdrawals from my annuity?

Income tax on interest credited to an annuity is deferred until withdrawals are taken. When you surrender or take a withdrawal from your contract, you may be subject to federal and state income tax on a portion or the entire amount withdrawn. In addition to income tax, you may be subject to a 10% federal penalty tax if you surrender or take withdrawals from your annuity before age 59 ½. When annuity payments are elected, a portion of each payment will be taxable and a portion will be treated as a non-taxable return of the contract's cost basis. Distributions from a qualified annuity (e.g. IRA, 401(k), etc.) may also be taxable. You should consult with a tax advisor or attorney regarding the applicability of this information to your own situation.

What happens if the Owner dies before the annuity date and while the contract is in force?

If the Owner, (or primary annuitant if the Owner is not a natural person) dies before the date on which annuity payments begin, the Company will pay a Death Benefit to the named Beneficiary or Beneficiaries. That Death Benefit will be the greater of: The contract value (without any Surrender Charge); or the Minimum Surrender Value.

The Death Benefit will not be subject to a surrender charge. After the annuity date, payments will be consistent with the settlement option selected. Taxes may apply.

What happens if the Annuitant dies on or after annuity payments begin?

If the Annuitant dies on or after the date annuity payments begin, we will continue to make payments of any remaining and payable portion of the annuity payment(s) to the Beneficiary upon our receipt of due proof of death.

Other Important Information about Your Annuity

- This annuity is not a bank or credit union deposit, obligation or guarantee, and is not FDIC or NCUA/NCUSIF insured.
- The guarantees provided by annuities are subject to the financial strength and claims paying ability of the issuing company.
- Under current tax law, the Internal Revenue Code already provides tax deferral to qualified money, so there is no additional tax benefit obtained by funding a qualified contract, such as an IRA, with an annuity.
- This is a brief description of your annuity. Your contract contains more specific information. Please review it carefully when it is delivered to you and ask your financial professional for any additional clarification you may need.
- We deduct premium taxes, if applicable, imposed on us by a federal, state, local, or other government agency. Some states collect these taxes on premium payments; others collect at the time of Annuitization. Since we pay premium taxes when they are required by applicable law, we may deduct them from your contract when we pay the taxes, when you withdraw your contract value, when you start to receive income payments or when it pays a death benefit to your beneficiary. The premium tax rate varies by state or municipality, and currently ranges from 0 - 3.5%.
- We do not provide tax, financial or investment advice, or act as a fiduciary in the sale or service of these products. Consult a tax advisor or financial representative about your specific financial needs or circumstances.

Notice of Replacement of Life Insurance or Annuities

1 Important Notice: Replacement of Life Insurance or Annuities

(This notice must be signed by the applicant(s) and broker, with the original sent to Oceanview Life and Annuity Company and a copy left with the applicant(s).) This form is suitable for the following states: AK, AL, AR, AZ, CO, CT, IA, KY, LA, MD, ME, MO, MS, MT, NE, NH, NJ, NM, OH, OR, RI, SC, TX, UT, VA, VT, WI and WV

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financial purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy or contract to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured individual.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on page 2 of this form.

- A. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer or otherwise terminating your existing policy or contract? ☐ Yes ☐ No
- B. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ☐ Yes ☐ No
- C. If you answered "Yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number, if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER NAME	CONTRACT/POLICY NUMBER	NAME OF INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

3 Important Replacement Issues

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense.

Policy Value

- Acquisition costs for the old policy may have been paid, and you may incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

Insurability

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

If you are keeping the old policy as well as the new policy

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

If you are surrendering an annuity or interest sensitive life product

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

Other issues to consider for all transactions

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable “grandfathered” treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

3. DISCLOSURES / ACKNOWLEDGMENTS

- I. I fully assign and transfer all claims, options, privileges, rights, title and interest to either all of the life insurance policy, all of the annuity contract or part of the annuity contract value identified in the Contract Information section on page 1 to the receiving company. The sole purpose of this assignment is to effect a tax-free exchange under Section 1035(a) of the Internal Revenue Code. All of the powers, elections, appointments, options and rights I have as owner of the contract, including the right to surrender, are now exercisable by the receiving company. Simultaneous with a full assignment, I also revoke all existing beneficiary designations under the Assigned Policy. Other than the above mentioned owner, no person, firm, or corporation other than myself and the insurer that issued the above numbered policy, has an interest in said policy. No proceedings in insolvency or bankruptcy have been instituted by or against me. I understand that the receiving company intends to surrender the contract for the cash value; or if this is a partial exchange, the portion assigned, subject to its terms and conditions, and to use the proceeds as the purchase payment for the new contract to be issued by the receiving company. I authorize the surrendering company to send the proceeds directly to the receiving company and understand that fees and surrender charges may apply. This exchange is subject to acceptance by the receiving company. Neither the receiving company nor the surrendering company is liable or responsible for changes in market value that may occur after the surrendering company has processed the transaction and before the proceeds are received by the receiving company in good order and allocated to the new contract. Prior to the date of receipt of the proceeds by the receiving company, no value will accrue or be earned on the receiving company contract.
- II. If this is a partial exchange, I understand that it is subject to Revenue Ruling 2003-76, which dictates how much of the original contract's cost basis must be allocated to the new contract. The cost basis should be allocated ratably between the two contracts based on the percentage of the value retained in the original contract and the percentage of the value transferred to the new contract. For example, if the contract value is \$100,000 and basis is \$50,000, and I assign 30% for a partial exchange, then \$15,000 (30% of \$50,000) of the basis would be applied to the new contract. I understand that the IRS has raised concerns about annuity contract owners using partial exchanges to avoid income tax, and I certify that I am not entering into this transaction for the purpose of reducing or avoiding income tax or the 10% penalty tax for early withdrawals.
- I expressly represent that the sole purpose is to effect a partial 1035 exchange of an annuity contract. However, I acknowledge that Revenue Procedure 2011-38 states that withdrawals from annuitization, taxable owner or annuitant changes, or surrenders, other than an amount received as an annuity for a period of 10 years or more or during one or more lives, of either the original contract or the new contract during the 180 day period following the partial exchange, may affect the tax free status of the partial exchange.
- Note: Other exceptions may apply and a subsequent direct transfer of all or a portion of either contract involved in the exchange could have tax and tax reporting consequences. Please consult your tax advisor. Please confirm with the carrier if they will support partial 1035 exchanges.
- I acknowledge that the receiving company has made no representations concerning any tax treatment of this transaction. I understand that the receiving company has neither responsibility nor liability for the validity of this transaction or for my treatment under Section 1035(a) of the Internal Revenue Code or otherwise. Therefore, I agree to release and hold harmless the receiving company and its agents from any and all liability arising from, relating to, or in connection with, the taxation of a partial exchange of the above listed contract. I authorize the receiving company and the surrendering institution to share information necessary to maintain accurate records of the annuity cost basis and to ensure proper withholding and tax reporting. I have been directed to consult my tax or legal advisor before proceeding.
- III. I authorize the receiving company to rely upon the cost basis information provided by the surrendering company, but agree that the receiving company will assume no responsibility for determining or verifying cost basis. If cost basis is not provided, I acknowledge that more restrictive or less beneficial tax rules may apply to the amounts transferred. I acknowledge that the receiving company provides this form and participates in this transaction as an accommodation to me. The receiving company does not give tax or legal advice on the tax consequences for replacing one contract for another, and assumes no responsibility or liability for the validity of this assignment or for the tax treatment of this exchange under IRC Section 1035(a) or other laws or regulations.
- IV. I agree that if the receiving company, in its sole discretion, determines that it is unlikely to receive timely payment of the full contract cash surrender values, the receiving company may reassign ownership of the policy/contract back to me.
- V. RETURN OF LIFE INSURANCE POLICY OR ANNUITY CONTRACT - Does not apply to partial 1035 exchanges on annuity contracts. Unless the surrendering company's policy or contract is attached, I affirm that the policy or contract has been destroyed or lost and that reasonable effort has been made to locate it. To the best of my knowledge no one else has any right, title or interest in the contract, nor has it been assigned, pledged or encumbered, unless this is a life insurance policy with a loan to carry forward.
- VI. MAXIMUM ISSUE AGE DISCLOSURE - An annuity contract may not be issued should the funding requirements be received after reaching maximum issue age for the annuity contract applied for. If the funds are received after the maximum issue age, the contract may be rejected and the funds returned to their original source. The surrendering company may or may not take the funds back, which could result in a taxable event.
- VII. NON-QUALIFIED TRANSFER OF FUNDS (NON 1035 EXCHANGE) - The receiving company will apply all such funds received to an annuity contract issued to me. I understand that the receiving company assumes no responsibility for tax treatment of this matter and I shall be responsible for payment of all federal, state and local taxes incurred with respect to the liquidation of such account. I acknowledge that the earnings credited under the annuity contract will begin to accrue when the receiving company receives these proceeds and all other necessary paperwork in good order. For index annuities, fixed account interest under the annuity contract will begin to accrue on the next Issue Day.
- VIII. TRANSFER / EXCHANGE OF FUNDS INTO A TSA/403(B) - The TSA/403(b) owner / participant's employer or employer's third-party administrator must authorize and sign this transfer request in Section 5.
- Authorization for a TSA/403(b) transfer / exchange to a TSA/403(b): This request is for the direct transfer / exchange of non-ERISA funds from the TSA/403(b) (annuity contract) or 403(b)(7) (custodial account) identified in Section 1 of this form to a TSA/403(b) (annuity contract) established on my behalf by the receiving company. I hereby agree to surrender my interest as indicated above and authorize the receiving company to take whatever action necessary to effect this transfer / exchange. I acknowledge that the transferred / exchanged funds shall be subject to the more stringent restrictions on distributions found in either the predecessor annuity contract or the receiving annuity contract. I intend this transaction to be a 403(b) transfer / exchange of funds pursuant to IRC section 403(b) and the final regulations. The transfer / exchange is to be executed from financial institution to financial institution in such a manner that it will not place me in actual or constructive receipt of all or any part of the transferred / exchanged funds. Because this transaction constitutes a direct rollover / transfer / exchange of funds and not a distribution, withholding does not apply. (Provide the receiving company with any records or documents they may request with respect to this transfer / exchange.)
- IX. The IRS has provided limited guidance on the tax consequences of transferring a life insurance policy with values less than the investment in the contract to a new or existing annuity contract. If the owner surrenders the newly acquired annuity contract, it's not clear whether the annuity losses are fully deductible against ordinary income or deductible as a miscellaneous deduction subject to a limitation of 2% of adjusted gross income (AGI). If the IRS views the two transactions as a single integrated transaction, they could consider it a step transaction and successfully disallow the losses as a tax deduction.
